

USPS TEMPLATE FOR CREATING **SIZE #9** BUSINESS REPLY ENVELOPES

BRM Permit number is correct. Holy Rosary, Tacoma used as an example.

Your print vendor should be able to make these envelopes with your parish's address for you.

Make sure not to have size #10 envelopes made! Size #9 will fit into any #10 envelope without folding!

Horizontal Bars must be 1/16" to 3/16" thick, evenly spaced, and at least 1" long. The bottom bar must be above the top of the delivery address line, see S922.5.7.
