

BUSINESS REPLY ENVELOPE

Business Reply Envelopes are extremely useful in encouraging responses from your parishioners (and not just for the parish stewardship renewals, envelope packets, and quarterlies – you can use them for many different things.) Aside from printing costs, you don't pay postage unless the envelope is returned (though that is what you want – and almost always they'll have something in them worth more than the cost of postage!)

COSTS OF BUSINESS REPLY MAIL

Options	Normal Annual Fee	Annual Permit Fee With Our Receipt	Annual Accounting Fee
Basic Service	\$235.00	None	None
High Volume	\$235.00	None	\$710.00

High Volume is the best option if you anticipate receiving more than 935 pieces of qualified business reply mail annually.

Basic Service would be a better option if you anticipate receiving 935 or fewer pieces of qualified business reply mail annually

Here is your copy of the Archdiocesan Business Reply Permit so you can save \$235.00 on the Permit Fee. Present this to your post office when applying for the permit.

The Annual Campaigns Office of the Catholic Archdiocese of Seattle authorizes your parish, as a member of the Archdiocese of Seattle, to use this Business Reply Permit.
