GUIDELINES FOR USE OF PARISH PROPERTY

GUIDELINES FOR USE OF PARISH PROPERTY
CORPORATION OF THE CATHOLIC ARCHBISHOP OF SEATTLE (CCAS)

Property and Construction Services

INTRODUCTION

The Archbishop, as leader of the Archdiocese, is responsible for assuring that activities taking place in parishes are in accord with canon law as well as with civil laws and regulations. He works closely with the pastors and other appointed pastoral leaders to assure the good stewardship of parish property by creating policies and guidelines for administration of parish facilities and resources that properly reflect the relationship between the parish and those who use its facilities. This protects those using the facility as well as the parish.

SCOPE

Following is a summary of the various types of Nonprofit and For-Profit organizations and individuals use of parish facilities that are welcomed and supported in their activities, along with the requirements for assuring the good stewardship and protection of all involved.

FACILITY USE AGREEMENT

The CCAS Facility Use Agreement must be used when Groups 2, 3 or 4 use parish facilities (whether a fee is charged or not) on a one-time or short-term basis. This agreement may either be used as a stand-alone or be tailored to the parish but the requirements for Group Designation, Nonprofit Status, Indemnification, and Liability Insurance cannot be changed or altered.

Please note that this does not include long-term, intensive, or worship-related use of parish facilities by non-parish sponsored groups which requires a lease arrangement that must be executed by CCAS Property and Construction Services, (206) 382-4851.

CERTIFICATE OF INSURANCE

The CCAS Facility Use Agreement requires the non-parish sponsored facility user to provide the parish with a certificate of insurance documenting general liability coverage in the amount of $1,000,000 per occurrence. This certificate of insurance must name the parish AND the Archdiocese (the “Corporation of the Catholic Archbishop of Seattle”) as an “additional insured”. When the facility user is an individual (Group 2), the individual is required to purchase “special event” liability coverage (TULIP) through vendor referral of the CCAS Property/Liability Insurance office (see: Special Events Coverage below.) Under no circumstances should any facility be utilized by non-parish sponsored groups or individuals without proper insurance in place prior to the usage.

SPECIAL EVENTS COVERAGE

Special Events Coverage (provided through TULIP vendor referral of the CCAS Property/Liability Insurance office) is a mechanism which allows the Archdiocese and your parish (or school) to extend liability insurance coverage that would not otherwise be available to an individual/group in order for them to use your facilities for a non-parish sponsored event. The cost for Special Events Coverage varies depending on several factors including number of participants and length of event. This policy provides $1,000,000 liability coverage. The facility user may purchase the policy directly via the designated TULIP website.

QUESTIONS

Questions regarding the Facility Use agreement should be directed to CCAS Property and Construction Services, (206) 382-4851.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Dear Taxpayer:

This is in response to your June 14, 2011, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in April 1986.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/ez for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
