Dear Friends in Christ,

The people of the Archdiocese of Seattle have a tradition of stewardship that is truly remarkable and which never ceases to inspire me. Relying on God’s Providence, our clergy, religious and lay people continually receive God’s gifts gratefully, steward them responsibly, and then share them in justice and love for all, making a return with increase to the Lord. This is the very definition of Christian stewardship, and I am deeply grateful that the lives of the faithful express it so abundantly in our local church.

Every year brings both challenges and blessings. One of the most immediate challenges to archdiocesan stewardship is adequate funding for pension and medical plans for priests and religious women. I have been in consultation with the Archdiocesan Finance Council and other consultative bodies for several years about how to stabilize archdiocesan pension and medical plans and assure that they will be fully supported in the future. Following these consultations, I have decided to explore the possibility of a major campaign to address this challenge in recognition and appreciation for our priests and women religious for their lives of service.

A great blessing in the past year was a record $15 million raised by our Annual Catholic Appeal. The Archdiocese of Seattle owes a debt of gratitude to all who participated for their generosity, but of special note this year are Rick and Patti Fersch, who began a well-earned retirement after leading our Stewardship and Development Office since 2003. Their efforts made the Annual Catholic Appeal extraordinarily successful, and their ministry brought people closer to the Lord through their response to God’s generosity.

As you review this 2015-16 Annual Report, please be assured of my continued prayer that we will grow to know, love and serve the Lord Jesus and his Church more each day.

Sincerely in Christ,

J. Peter Sartain
Archbishop of Seattle

Parishes in Western Washington overall saw another increase in collection income. From July 1, 2015 through June 30, 2016, Ordinary Income (Sunday and Holy Day Collections) increased by 1.45% to over $95 million. Total parish revenue from all sources, including parish schools but excluding intra parish transfers exceeded $248 million. Revolving Funds

These funds are then available as loans to finance operating and capital needs throughout the Archdiocese. The PRF serves parishes while the ARF provides the same service for other institutions.

A seven member Commission oversees PRF operations, Commission members are listed on page 8.

PRF savings at 6/30/16 totaled $100.7 million in 647 accounts, a 5% increase from last year’s $95.9 million in 677 accounts. Loans decreased to $44.1 million, a 13% decline from last year’s $50.9 million. The number of loans also decreased from 89 to 82.

ARF savings increased from $28.8 million to $31.6 million at year end with loans increasing to $12.0 million.
**Catholic Schools**

During 2015-2016, the 58 diocesan elementary schools, four additional Catholic elementary schools and Eastside Catholic Middle School provided a high-quality Catholic education to 15,904 students. Of these, 79% were registered as Catholics, and 37% were ethnic minority students. The four non-diocesan elementary schools – Forest Ridge 5-8, Villa Academy, Holy Family (Lacey) and Pacific Crest Academy – and Eastside Catholic Middle School served 1,008 students of that total.

Eleven Catholic high schools served an additional 6,165 students. Of these schools, the Archdiocese operates three in the greater Seattle area – Bishop Blanchet High School, Kennedy Catholic High School, and O’Dea High School. Together, these three secondary schools enrolled 2,159 students, whose budgets totaled $33,614,503.

The remaining eight secondary schools offered high school programs of study throughout western Washington. These included Holy Names Academy (Seattle); Seattle Preparatory School (Seattle); Bellarmine Preparatory School (Tacoma); Archbishop Thomas J. Murphy High School (Everett); Forest Ridge School of the Sacred Heart (Bellevue); Eastside Catholic High School (Sammamish); Seton Catholic College Preparatory High School (Vancouver); and Pope John Paul II High School (Lacey). Together, these schools enrolled 4,006 students with combined budgets of $78,404,915.

A total of 1,351 teachers delivered an educational program to the elementary children, and 632 full and part-time secondary teachers instructed the high school students.

**Sources of Parish School Revenue**

Parish school operating revenues for 2015/2016 totaled $121.4 million. Tuition and Fees accounted for 72% of the total with the balance made up of a combination of parish subsidy, neighboring parish grants, Archdiocesan grants through the Fulcrum Foundation, and local fund raising and development efforts. Parishes with schools gave 16% of ordinary income in support of their schools.

**Fulcrum Foundation**

Founded in 2002, the Fulcrum Foundation provides financial assistance to promote and support Catholic schools in the Archdiocese of Seattle, primarily through tuition assistance, school partnership grants, and grants for transforming leaders.

In fiscal year 2016, Fulcrum distributed more than $3,700,000 to Catholic schools, to Catholic school students and families, to Catholic school teachers and leaders across the Archdiocese of Seattle. Fulcrum’s efforts have strengthened these school communities, schools that provide an excellent and transformational education rooted in the Catholic faith. This report highlights the distribution of funds across our core grant programs in fiscal year 2016—programs that are making a difference in the lives of families, teachers and leaders, and schools across the Archdiocese of Seattle.

ASSOCIATED CATHOLIC CEMETERIES

Mission Statement: We trust in Jesus to use our hearts and hands to comfort His people, celebrate the dignity of life and offer hope. Catholic cemeteries are signs of hope that are places of prayer and witness our faith in the Lord Jesus and the hope we share in resurrection. This ministry is extended through the education of parishioners concerning pre arrangement planning, and scheduled opportunities for prayer. ACC also serves as a resource to parishes regarding burial and funeral issues.

Since 1838 Catholics in the Archdiocese have chosen to be buried in sacred burial ground. Associated Catholic Cemeteries continues this tradition by serving the Puget Sound area and have buried more than $40,000 people. These Associated Catholic Cemeteries consist of four cemeteries. Calvary, located near the University of Washington in Seattle, was dedicated in 1889. Holywood, serving North Seattle, King, and Snohomish Counties, was dedicated in 1953. Gethsemane, dedicated in 1975, serves South Seattle, Seattle, King, and Snohomish Counties, was dedicated in 1889. Holyrood, serving North Sound area and have buried more than 84,000 people.

In keeping with the Church’s teaching of a preferential option for the poor, Associated Catholic Cemeteries continue to provide burial services at no charge or at a reduced cost to those in need. This is made possible due to the support of other families who choose their Catholic cemetery for their burial needs.

Associated Catholic Cemeteries continues its long-standing practice of operating without financial subsidy from the Archdiocese. Financial results for the year ending June 30, 2016 show a Change in Net Assets for Operations of $(476,000). While sales for the year totaled approximately $8.54 million, $2.53 million of those sales were pre-need goods and services. While these sales provide current operational cash flow, they are deferred until the goods and services are delivered and/or the open A/R accounts are paid. Therefore, they are not reflected in the revenue. Associated Catholic Cemeteries continues its practice of operating without financial subsidy from the Archdiocese.

However, due to market volatility, the Fund’s investment portfolio resulted in a net loss of approximately (2.5%).

In addition to the four Associated Cemeteries, there are 20 active parish cemeteries throughout the Archdiocese. The financial results of these cemeteries are included in parish operations.

A Pre-Need Planning Guide as well as A Guide for Making Good Decisions for the End of Life are both available at no charge by calling 1-888-784-8683. To learn more about the Associated Catholic Cemeteries of the Archdiocese visit them on the internet at www.MyCatholicCemetery.org.

FROM THE FINANCE COUNCIL

Dear Members of the Church of Western Washington:

As members of the Archdiocesan Finance Council, we assist Archbishop Sartain and his staff in the oversight of the financial matters of the Archdiocese. However, it is only through your generosity that the Archdiocese of Seattle is able to carry out its mission in Western Washington. This Annual Report, along with this letter, addresses the financial condition of the Archdiocese as well as information on other significant ministries of the church in Western Washington.

PARISHES

Parish ordinary income increased by 1.45% last year to over $95 million. Last year’s ordinary income was $94.3 million, an increase of 2.07%. The change for 2016 is less than the average increase for the last 10 years of approximately 1.9%. Ninety three (54%) of our parishes experienced increases in ordinary income and seventy nine (46%) of our parishes experienced declines or limited changes in ordinary income. As we know, our Parishes vary significantly in size and economic circumstances.

ANNUAL APPEAL

Annual Catholic Appeal amounts reported in the Statement of Activities are reported in arrears. Once again, contributions to the Annual Catholic Appeal actually exceeded the prior year and, at $14.05 million represent an increase of 2.5% over 2014. Total rebate to Parishes were $2.55 million, an increase from the $2.4 million rebate in 2014. There was also generous support of Catholic Charities, the Fulcrum Foundation, and other ministries of our Church.

THE CHANCERY

In 2016, Chancery revenues and other support increased $1.1 million to $39.7 million. Annual Catholic Appeal revenues to the Chancery increased by about $200,000. Restricted and designated funds increased by $1,841,000 because of the release of a restricted gift of real property and increases in the amount of temporarily restricted net assets that met program restrictions. Offsetting these increases, bequests declined by $700,000 to $851,000. The 2015 total was unusually high. Insurance program premiums decreased by $325,000 primarily because premiums for certain coverage for affiliated entities were billed directly by carriers rather than through the Archdiocese.

Total expenses were $48.65 million, an $11.4 million increase. There are two reasons for the increase. First, the costs of operating the Archdiocese’s Brummett Retreat Center are now included in operating expenses. In prior years, these costs were separately reported. Secondly, insurance program costs increased because of additional sexual abuse settlement costs. The overall sexual abuse case load increased in 2016 compared to 2015. It is not yet possible to determine when these claims will cease. The Archdiocese continues to expand its efforts to reach out to victims, screen those who work with children and provide training for all parish staff and volunteers that interact with our children.

Investment results in 2016 reflected net losses of $569,000 consistent with market performance for the fiscal year. Net gains of $618,000 were recorded in 2015. Investment results have improved in the latter half of calendar 2016 and early 2017. Limited distributions of approximately 2% of General Reserve investments were made in 2016. Similar distributions are planned in 2017.

In 2016, a charge of $5.4 million was recorded due to an increase in the pension benefit payable to our priests, effective July 1, 2017. This was the first increase in the benefit provided in 10 years. In addition the discount rate used in pension and post retirement computations decreased slightly. As interest rates fluctuate, and actuarial principles require other changes to assumptions, we will continue to see changes in the amounts reflected in our financial statements.

FINANCIAL POSITION

The financial position of the Chancery remains stable.

The Archdiocese’s portion of sexual abuse case settlements has been funded by proceeds from certain real estate sales, our Archdiocesan Insurance Program and deposits to our Archdiocesan Revolving Fund. We expect that, over time, the deposits utilized to fund the settlements will be replenished from revenues of the Archdiocesan insurance program.

Archbishop Sartain has approved the exploration of a major campaign to address the retirement needs we face today for priests and are projected to face in the future and those faced by the orders of women religious who have served our Archdiocese, as well as local parish needs. We anticipate the completion of this planning study in April of 2017. In addition to improving the financial position of the Chancery, successful completion of a campaign will provide security to our priests and women religious and provide additional resources to our parishes.

Other significant financial challenges facing our Archdiocese include securing capital necessary to maintain existing Parishes and schools and to fund expansions needed to serve new areas.

We hope this report and letter provide you with useful information on the major issues relating to the financial affairs of the Archdiocese. As a council we look forward to working with Archbishop Sartain as he sets goals to address the needs of the Archdiocese. With your continued support the Finance Council is committed to providing good stewardship and assistance to Archbishop Sartain and his staff in the financial management of the Church in Western Washington.

Sincerely,

Kevin Hylton, Chair
Archdiocesan Finance Council
