Creating a VIRTUS Profile

Volunteers Without Access to the Vulnerable Population

The Archdiocese of Seattle uses the VIRTUS program along with the VIRTUS database to comply with Safe Environment requirements. Once you have been brought on as a volunteer within the Archdiocese of Seattle, you will need to create a profile on VIRTUS.

There are a few steps that need to be taken to create a VIRTUS profile. This guide will provide instructions for creating a VIRTUS profile. Although the steps have been broken down into sections, you must finish Sections 1 and 2 – Section 3 is for volunteers who have access to cash, checks and other negotiables or who drive – to complete the registration process.

For questions or concerns, contact the Safe Environment Office at (206) 274-3188.
